Guaranteed for residential and commercial projects.

Relax, it's just water

Aqua+ Laminate Flooring is the perfect solution for kitchens, bathrooms, hallways and commercial areas. Aqua+ is sustainably produced, quick to install, and easy to clean, especially with a steam cleaner.

72hrs water-resistant

Aqua+ is 72hrs water-resistant in accordance with NALFA testing. The core board is more resistant to water swelling than standard laminate flooring and is also steam cleaner friendly.

» For more information on NALFA testing [click here](#).

Easy to install

With the CLIC *it!* installation system our flooring can be quickly and easily installed in any room.

34 decors available

Water resistant laminate flooring, available in 34 trend-led decors, including wood, stone and marble reproductions.

Decor overview

EGGER PRO Laminate Aqua+ is available in 34 trend-led decors, including realistic wood, stone and marble reproductions.

The collection is available in three board formats: Classic, Large and Kingsize, allowing flexible planning for any room size. Compared to tiling, EGGER laminate is more cost-effective and easier to install.
